About Western Lites

Connecting India's Agricultural Excellence with the World

Western Lites is an India-based agricultural products exporter committed to supplying quality food commodities to domestic and international markets.

Since 2013, we have been operating across the agricultural trading and export sector, offering a diverse portfolio of rice, pulses, cereals, spices, fresh fruits and vegetables. Our approach combines reliable sourcing, stringent quality control, efficient processing and flexible packaging solutions to meet the requirements of buyers across different markets.

Based in Vashi, Navi Mumbai, Maharashtra, Western Lites works with trusted farmers, suppliers and business partners to deliver products that meet expectations for quality, freshness, consistency and value.

Our objective is simple: to make sourcing Indian agricultural products reliable, efficient and rewarding for our global customers.

From Source to Shipment

Our Core Capabilities

Premium Sourcing: We work with trusted farmers and suppliers to source quality agricultural commodities.

Quality Control: Products undergo quality checks to ensure cleanliness, freshness and consistency.

Processing & Preparation: Our products are processed with attention to hygiene, quality and market requirements.

Customized Packaging: We provide standard as well as customized packaging solutions according to customer.

Bulk Supply: Our capabilities allow us to cater to wholesalers, distributors, retailers and buyers.

Export Support: We work to provide reliable coordination throughout the sourcing and supply process.
